SHARE WHAT'S IN YOUR HEART

Every day, cardiac patients rely on lifesaving blood products as part of their treatment. You can help by donating blood, platelets and plasma.

ABOUT US

ImpactLife is the exclusive provider of blood products and services to more than 120 hospitals in Illinois, Iowa, Missouri and Wisconsin. We rely on the generosity of volunteer blood donors and community partners who host mobile blood drives to provide a critical resource for hospitals throughout a four-state service region.

We are a 501(c)(3) not-for-profit blood center, established in 1974.

SHARING IS CARING

There are three different ways you can help change the world for heart patients. Here's how:
